

Timekeeper Powell Buried At Rockwood

Funeral services were held Monday, August 14, for Lester Franklin Powell, Timekeeping Department, at the First Baptist Church, Rockwood. The Rev. Raymond R. Lloyd officiated. Interment followed in the Grove Cemetery.

L. F. Powell

Mr. Powell came to Y-12 May 3, 1954, and worked in the Finance and Materials Division his entire stay in Y-12. He died Saturday, August 12, after a lengthy illness. He is survived by his wife, Mrs. Bertha Powell, Rockwood; two sons, Carl Edwin, Knoxville; and Lester Eugene, Chattanooga; three brothers; four sisters; and six grandchildren.

Deepest sympathy is extended his family.

James G. Yearwood Passes August 14

Area Five Maintenance employees were shocked and saddened last Saturday, August 12, in the death of James Gordon Yearwood in St. Mary's Hospital in Knoxville. The shop maintenance man came to Y-12 June 8, 1954. He was born in Hamblin County, Tenn.

J. G. Yearwood

Surviving Yearwood are his widow, Mrs. Reba Marris Yearwood; daughter, Mrs. Carolyn Dajani; sister, Miss Sarah Yearwood; brothers, Cecil R., Clarence W. and William H. Yearwood, all of Knoxville.

Funeral services were held at the Rose Funeral Home Chapel at 2 p.m. Monday, August 14, with burial in the Greenwood Cemetery. Fellow employees send their sincere sympathy to the bereaved family.

Chemical Society Meets Next Week

The Analytical Group of the East Tennessee Section, American Chemical Society will meet next Wednesday, August 30 at 8 p.m. in the Robertsville Junior High School Cafeteria, Oak Ridge.

Featured speaker will be Dr. William S. Gallaway, Beckman Instruments Research Department, Fullerton, Calif. His topic will be "New Detectors for Gas Chromatography," and should be of particular interest to people working in this field.

Museum Entertains Millionth Visitor

Oak Ridge's Museum of Atomic Energy recently had its millionth visitor. The Museum, operated for the Atomic Energy Commission by the Oak Ridge Institute of Nuclear Studies, has had visitors from all 50 states and many foreign countries since its opening in 1949. ORINS also serves as headquarters for the AEC's traveling exhibits program, which includes 23 units of various types.

\$115 Million Payroll Is AEC's Expenditure

Y-12ers Take \$36 Million Last Year

Y-12's payroll for the fiscal year ending June 30, led the Atomic Energy Commission's Oak Ridge Operations payroll outlay, according to figures released by the AEC. A total of \$36,246,026 was expended for the entire Y-12 payroll during the past fiscal year.

A total of 16,719 persons were employed in the Oak Ridge area in the atomic energy program. The total payroll—including both government and fixed-fee contractors—amounted to \$115,597,278 for the year. The employment and payroll totals do not include fixed-price construction contracts.

The breakdown for the payroll for major facilities at Oak Ridge were: the Y-12 Plant, \$36,246,026; Oak Ridge National Laboratory, \$35,439,406; Oak Ridge Gaseous Diffusion Plant, \$28,519,108; Oak Ridge Institute of Nuclear Studies, \$1,426,303; the H. K. Ferguson Company, \$6,016,430; Management Services, Inc., \$678,249; and the University of Tennessee-AEC Agricultural Research Laboratory, \$404,416.

Management Services, Inc., holds a no-fee contract with the AEC.

Y-12, ORGDP, and ORNL are operated for the AEC by Union Carbide Nuclear Co. Other contracts are held by ORINS, H. K. Ferguson Co., and the University of Tennessee.

Credit Union Needs Current Addresses

Statements Must Be Mailed To All Members

The Y-12 Employees' Credit Union needs current mailing lists of addresses for all members. The Federal Examiners have directed the Credit Union to mail statements to all members. In the past, it has been the custom to hold statements on request for members to be picked up at their convenience.

An employee not wishing his statement to be mailed to his home address should furnish the Credit Union with another address. **No statements will be held in the future.** The total membership mailing of statements begins in November, 1961.

Individual balances and loans are always treated as personal confidential information by the Credit Union.

IT'S A PICNIC JUG for Jeanne Mitchell, Production Inspection, as she chooses from the wide variety of 15 articles offered to Y-12ers for the 27th accident-free period. The period covers April 18 through June 29, 1961, a total of 2,575,823 man-hours worked without a lost-time accident.

Safety Awards Offer A Wide, Varied Choice

15 Items To Y-12ers For 27th Safe Period

There's a safety award for every taste and talent — from the picnic to the pantry — from the garden to the workshop. The selection cards for the \$2 awards for the 27th period attained by Y-12ers without a lost-time accident are being issued this week.

The period covers the dates from April 18, 1961 through June 29, 1961 and encompasses 2,575,823 man-hours worked without a serious mishap.

Listed among the awards are a 12-volt flasher for the automobile (which plugs into the cigarette lighter); a 50' garden hose; a one-gallon picnic jug; a U. S. Coast Guard approved life preserver boat cushion; a pocket Ronson cigarette lighter; a lunch box with a pint Thermos bottle; a three-piece Pyrex mixing bowl set; a three-piece range set (grease cup, salt and pepper shakers); a pair of garden shears; a carborundum sharpening stone; a long handle garden shovel; a Surform plane; a one-quart large-mouth Thermos bottle; a pair of vise grip pliers; and a "Yankee" drill, which operates on a swivel, equipped with four different sized bits.

The current string of accident-free days began August 10, the day after the eleventh lost-time accident sustained in Y-12 since the beginning of the calendar year. This is more than twice the number accumulated over 1960. Only five lost-time injuries occurred during all of last year.

Individual Effort Needed

Injury-free work can be accomplished only through individual effort from every employee.

Y-12ers have proved in the past they can work safely. Proof positive is the marking of the 27th period for which these awards are given. While accident-free periods always look good, it means much more than that. It means safe working conditions and trouble-free days without painful and costly injuries.

Awards On Display

The Safety Department has been displaying the current awards throughout the plant during this week. The awards have already been shown at the East, North and West Portals. They will be up for inspection at Central Portal today through Sunday, August 27; at Bear Creek Portal, Monday, Tuesday and Wednesday, August 28, 29 and 30. Returning to East Portal Thursday, August 31, the awards will be shown again at North Portal, Friday, September 1.

Selection cards are handled through departmental offices, and orders will be placed for the awards as soon as they are returned.

The green lights at the portals are always welcome sights when coming to work. Let's keep them burning! It adds a bright touch to today's work to know that yesterday was an accident-free day.

ISA Offer Course In Servomechanism

The Oak Ridge Section of the Instrument Society of America is sponsoring a training course in the theory of servomechanism. The theory will be developed from a mathematical viewpoint and Laplace Transforms will be used extensively in the course.

The classes, which begin Tuesday, September 5, will be held on consecutive Tuesdays thereafter until December 19, between the hours of 6:30 p.m. to 9:30 p.m. They will be taught by R. R. Feezell in the conference room of the Oak Ridge Institute of Nuclear Studies building. The text is announced as a McGraw-Hill book, "Control System Analysis and Synthesis" by D'Auzzo and Houps.

Further information on the course may be had by calling the ISA Education Committee chairman, D. M. Papke, at Oak Ridge telephone 482-1627.

LSU Fellow To Lead ORNL Physics Seminar

Oak Ridge National Laboratory Physics Division's seminar this week will feature a discussion by J. L. Duggan, Oak Ridge Institute Fellow from Louisiana State University. The topic will be "A Study of the Reactions $Li^7(He^3,n)B^9$, $Be^9(He^3,n)C^{11}$, $He^3(n,O^{15})$."

The seminar is set for 3:15 p.m. Friday, August 25 in the Central Auditorium of ORNL's 4500 building. All interested technical personnel are invited.

ORGDP To Ship Record Shipment To Italy

Reactor Will Require 60 Tons Of Fuel

The largest single order of uranium for peaceful applications ever placed with the Atomic Energy Commission's Oak Ridge Gaseous Diffusion Plant here currently is being withdrawn and prepared for shipment.

Approximately 121,370 pounds of uranium, valued at some \$9,000,000, will eventually provide fuel for the 150-megawatt electric boiling water power reactor being built in Italy as the first project under the United States-Euratom joint power program.

The fuel is being shipped from ORGDP in the form of uranium hexafluoride. In two enrichments, the uranium will be provided in several shipments. ORGDP, one of AEC's largest installations, is operated for the commission by Union Carbide.

Ridge Nursery Sets Registration Tomorrow

The Oak Ridge Nursery School announces its registration date as tomorrow, Thursday, August 24, from the hours of 9 a.m. until 1 p.m. The day nursery is located at 151 Robertsville Rd., Oak Ridge, and offers working parents an ideal opportunity for the boarding of children of pre-school age.

Ridge Playhouse Sets 3 Play Tryouts

Y-12ers with thespian leanings are being called to arms by the Oak Ridge Playhouse for its 1961-62 season. A general try-out and social hour will be held next Monday, August 28, at 8 p.m. No previous theatrical experience is needed, and Playhouse officials point out that anyone in the community interested in drama is welcomed into the activities.

The first three plays of the season will hold try-outs. They are "Twelve Angry Men," "Summer of the Seventeenth Doll," and "Auntie Mame." Featured are 30 female roles ranging from the strenuous role of Mame through several small roles to walk-ons. Forty-five men are required for the three plays, from 12 jurors through butlers. All ages and types are needed in the three dramas.

Next Tuesday, August 29, final tryouts for "Twelve Angry Men" will be held, with rehearsals slated for later in the week. This exciting courtroom drama has an all-male cast for ages 25 to the 40's, plus one elderly gentleman. Any Y-12er interested in any phase of theatrics is invited to attend Monday night's session, scheduled at the Playhouse in Jackson Square.

Gun Collectors Show Antiques This Week-End

The Smoky Mountain Gun Collectors Association will have an exhibit of antique firearms at the Oak Terrace, Oak Ridge, this week-end. The schedule for the showings are Saturday, August 26, from noon until 10 p.m., and Sunday, August 27, from 9 a.m. until 4 p.m.

Collectors from all over the Southeast are bringing their ancient muskets in for the display, and gun enthusiasts will have a fine opportunity to view weapons from the past. The display is scheduled for the ballroom at the Terrace.

Found: One long-lost editor, just back from the wilds of Florida, all moon-tanned and aglow with stories of week-end sales that would warm any Irishman's heart. The old Colyum Conductor is well and hearty and wished to be remembered to all Y-12ers.

Let's remember what went on and is going on currently in Y-12.

MAINTENANCE

From Research Services come a post-card from H. A. Sinclair from Lancaster, S. C., stating he was on his way to Hendersonville, N. C. for more vacation there in the mountains.

Area Five Maintenance sends word that J. S. Elder is visiting his son in Memphis and other relatives in Arkansas and Mississippi. "Bull" Rollins is visiting his daughter down Birmingham, Ala. way. J. W. Powell followed fellow Y-12ers and took off for Daytona Beach, Fla. R. H. Bacon took a trip up toward Dayton, Ohio, but hoped to hop back in time to get some water skiing in. All these maintenance people slipped away without telling: O. B. Harness, A. L. Donald, E. W. Greenlee, B. F. Porter and F. B. Matthews. The red carpet of welcome is rolled out for P. Pel-fry and J. E. Herrin. The entire department sends its sincere sympathy to the family of J. G. Yearwood. G. R. Bright and family will be occupying their new home this week at Route 2, Powell. W. O. Gordon is off on the "puney" list, and best wishes are sent his way. Rufus Noah reports that the sunshine around Florida is warmer than ever, especially around Daytona Beach.

Electrical is welcoming in Barbara Jo Phelps. A. L. Sawyer is enjoying the Florida sunshine this week. B. L. Mowell and T. W. Noe are sight-seeing around the dam site at Fontana, N. C. S. F. Gray, J. A. Parsons and B. L. Patterson all scattered to parts unknown. H. R. Bailey is on vacation this week in Sandusky, Ohio. R. E. Douglas is visiting his mother in Sylacauga, Ala. L. G. Spence hopes to spend his vacation at Nags Head, N. C. J. P. Thomas is keeping his plans a BIG secret. J. R. Bearden is doing his bit for Uncle Sam at Fort Benning, Ga. Get well wishes are speeded R. Y. Dittmore and J. F. Johnson.

Have problems? We'll help you out. Which way did you come in!

MECHANICAL OPERATIONS

The General Machine Shop is extending sympathy to Charles E. Walker in the death of his father, and to J. M. Reed in the death of his sister. Shoppers are also sending get well wishes to S. T. Shultz, ill in the hospital. L. R. Brooks took off to the nation's capitol to see what was going on up there for his vacation. N. H. Wise was wise, but not original, he went to Florida. O. Young took off for Saint Louey. George Carter just stayed home, but slipped off for a fishing jaunt or two. E. S. Henck chose Pennsylvania to see the folks and friends. W. F. Sharp is vacationing at home over around Knoxville. And almost caught in the act of crying is little Kimberly Joy Buckner, daughter of Mr. and Mrs. T. E. Buckner. Little Kimberly was born August 8 at Fort Sanders Hospital, Knoxville, weighing seven pounds, 12 ounces. (She isn't REALLY crying, it's just a face she made for the photographer. After all, a young lady should have some privacy!)

Production Control also comes along with a mountainous volume of news with Dick Holbrook vaca-

tioning in Pellissippi and Atlanta. Al McConkey at home in Oak Ridge. Likewise for D. C. Morrison. Jack Thomson at Waynesville, N. C., brushing up on golfing strokes, naturally. Joe Johnson at Daytona Beach. Jim Burns also took off for Florida sands. Walt Goode spent part of his vacation entertaining in-laws at home. Wayne Schrader plans to visit relatives in Virginia and hopes to put in a few days at the beaches there. Tom LaRue vacationed at home. Tom Webber decided to spend a few days on the lake. Bob Harris is serving his time with Uncle Sam aboard the U. S. Pop-eye, and spent a recent week-end in Ft. Lauderdale. "where the girls are" it says here. Ronnie Taylor chose Ft. McClelland, Ala., or rather the Army chose it for him. A big welcome to Ella Stansell who transferred in from Beta Four. Also to Toney Gable who transferred from Alpha One and to Jeff Bostock, who hails from ORGDP. Cleon Hartman is surely missed by his old buddies since his transfer down to Building 9704-2. Congratulations to Bob Stoutt on the birth of a daughter, Greta Kaye, in Maryville, August 15. Bob reports that the father is doing fine.

The Sunflower Shop (isn't that name pretty?) sends in a note saying S. D. Ownby took two weeks to see the Smokies and also lots of Florida. M. H. Lee is really telling a tall fish story. Sez he has a dog that is a Fish Pointer. He just sits in the prow of the boat and looks for them. Lee says he intends to give him a work out this week on Watts Bar Lake. Some Dog!

Rolling and Forming has George Ferrell off to Atlantic City for two full weeks. F. R. Norton is enjoying his vacation entertaining his son Airman Second Class Bertrum J. Norton visiting in from his station at Roswell, N. M. E. T. Taylor took off, goodness knows where. And W. V. Kanipe is also away on military training leave. Jim Liefsha took a vacation also.

Tool Grinding tells that J. D. Good and Earl Cox took unknown vacations also.

Special Mechanical Production sent in a special delivery letter stating that J. S. Steward is a grand-father for the second time, and is just as proud as the first time around. This time a grandson, born, August 7, named John Wesley Tripp. He arrived at Oak Ridge Hospital weighing eight pounds, two ounces. J. A. Williams, A. Mitchell, W. B. Asbury, V. C. Huskey, J. A. Whitney, and W. H. Green all slipped away without telling. B. D. Duncan is visiting relatives in Dayton, Ohio this week. R. B. Bird-whistell and R. K. Carper took unknown ones too, but it was found out that Carper meant to go to Milton, Fla. J. C. Gibbs is visiting his mother in Clarksville, Tenn. W. R. Yado chose Louisville, Ky., as his vacation spot this week. August 13 found the J. S. Stewards attending a family reunion in Birmingham, Ala.

Money isn't everything. But whatever's in second place is sure a far piece behind.

FINANCE AND MATERIALS

Property passes out word that J. L. Hutton chose Texas for his family's vacation, with a side-trip planned across the border into Mexico. Roscoe Angel vacationed recently in Oakdale, Tenn. T. A. Narcrosse and his

Record 372 Attend A Shift Picnic At Cove Lake Park

PRIZE WINNERS at the picnic include from left, H. C. Parton, Alpha Five Machine Shop, who walked away with the badminton set; M. T. Mustard, Process Maintenance, who won a croquet set; and E. E. Lamb, winner of the camp stove. Lamb is in Special Mechanical Production.

CHILDREN ENJOYING GAMES at the recent A Shift picnic held Thursday, August 10 at Cove Lake State Park. A record number of 372 were present, and possibly a few more than that who did not register for the prize drawings.

MORE WINNERS FROM THE A SHIFT gang are Clinton A. Queen, Stores, who won a clock-radio; and the daughter of E. D. Allen, Sunflower Foundry, who took away a Corning ware set. Not pictured is D. L. Van Dusen, Special Testing, who won a picnic table at the gala affair. There was barbecue for all, and "fixin's" for the kids. A covered dish was brought and shared by the happy picnickers.

wife entertained guests recently from St. Louis, Mo.

Mail Room folk are sending get well wishes to Orel Hartman, ill at home. And S. P. Eubanks chose Texas for his vacation.

Evelyn Crouse, Plant Records, spent her vacation in Murfreesboro, Tenn. Got to see her brother's graduation there, too.

Some people aren't so hot at counting calories. Got figures to prove it, too.

SHIFT SUPERINTENDENTS AND UTILITIES

O. M. Blackwell vacationed recently at his home—seems he had some lawn mowing to do. R. F. Farmer planned a trip to North Carolina for his vacation. to the eastern part of the state, that is. The glorious sunshine of Daytona Beach was the choice of J. O. Wiseman and his family. The stork recently delivered a very special message at the home of the G. L. Carsons in the form of little Roger Allen, tipping

in at nine pounds, 12 ounces. Carson, naturally, had to take a vacation to see the little fellow. Congratulations! J. J. Miller was going to stop in Fontana, N. C., on his way to Myrtle Beach, S. C., for his vacation. J. D. Sweeney and his family visited in-laws and spent some time on the beaches in North Carolina. K. H. Wright planned nothing for his vacation but golf, golf, golf! J. D. Toliver recently went to Dayton, Ohio to visit his wife's sister who is ill there. Best wishes are sent her.

Old Westerns never die. No matter how long ago they were shot!

Slo Pitchers Play 17 Games Getting Schedule Back Again To Normalcy

Y-12's Atoms Begin Winning Streak; 6 Wins, No Losses; ORGDP's D Shift Drops From Play

Make-up games crowded last week's Slo Pitch League as teams plowed back onto the diamond amongst clearing skies. Y-12's Development team dropped a double-header Monday night . . . one game to the Oak Ridge Gaseous Diffusion Plant's Codgers 10 to 3; the other to fellow Y-12ers, the Atoms, 14 to 8.

For the Codgers home-run king Whittlesey came through with two more Maris-type hits. Also Gaylor, Lambirth, Compton, Harrison and Johnson helped the winning team with a double each. For Development Fell and Ludwig earned two-baggers, one each.

Line scores	R	H	E
Codgers	10	15	3
Development	3	7	4

Batteries: Codgers: Iacovino and Johnson. Development: Wigginton and Fell.

In the Atoms game, trusty Darry Dawes came through with a grand-slam homer to help his team win 14 to 8, and also keeping the Atoms' record clear of losses thus far in second half's play. For the losers it was Evans and Pridgeon with homers, and Hulsey with a triple and a double. Baldy Clayton tripled for the Atoms, and B. Davis, and Clayton earned doubles.

Line scores	R	H	E
Atoms	14	16	4
Development	8	9	7

Batteries: Atoms: Cothron and Bell. Development: Friar and Fell.

In regular season play Tuesday night, Development dropped another one, and dropped it heavily to ORGDP's hot shot Kentucky Wonders, 30 to 1. Hulsey and Raines tripled for the losers. For the winning Ky's it was Nier and Bolinsky with a homer each, and Carden with two.

Line scores	R	H	E
Kentucky Wonders	30	26	1
Development	1	6	10

Batteries: Kentucky Wonders: Foreman and Jones. Development: Blanks and Bell.

More action at Pinewood saw Y-12's Atoms trounce ORGDP's Odds 'N Ends 23 to 7. Pitcher Ed Cothron homered helping his own cause, as did Daws, B. Davis and J. Davis with two. The Davis boys both tripled also.

Line scores	R	H	E
Atoms	23	22	4
Odds 'N Ends	7	12	2

Batteries: Atoms: Cothron and Bell. Odds 'N Ends: Lemons and Barkow.

Peons Wallop Codgers

The Y-12 Peons showed no mercy toward the ORGDP Codgers as they walloped them 22 to 2. Home runs were belted by Stewart, Roe, Collins and Wright (with two). Stewart tripled and Bailey doubled for the winning Peons. Harrison earned a double for the losing Codgers.

Line scores	R	H	E
Peons	22	20	5
Codgers	2	6	2

Batteries: Peons: Rutherford and Bailey. Codgers: Iacovino and Johnson.

In action at Jefferson, Y-12's Red Devils split a double-header, dropping one to the Y-12 Blue Demons 6 to 2; and picking up one from the Y-12 Tabs, 5 to 2. In the Blue Demons game Gilbert tripled for the winners, while Denman, Maden and Gilbert doubled. For the losers it was Guttry, Collins and Sise with doubles.

Line scores	R	H	E
Blue Demons	6	15	1
Red Devils	2	11	1

Batteries: Blue Demons: Halsey, Clemens and Perkins. Red Devils: Sise and Pryor.

ORGDP's Fly Swatters earned a forfeit win from Y-12 9215ers, as Y-12's team failed to produce enough players on the field.

In the other Red Devils game, fellow Y-12ers, the Tabs built character while losing. John Lay doubled for the losers while West and Leak did the same for the winning Red Devils.

Line scores	R	H	E
Red Devils	5	10	1
Tabs	2	8	1

Batteries: Red Devils: Sise and Pryor. Tabs: Ryder and Holbert.

In make-up games, last Wednesday night the Y-12 Atoms continued their blue streak of wins by picking up a forfeit from the 9215ers.

Peons Win Two

In action at Pinewood, the Y-12 Peons picked up a double-header, one by forfeit from the 9215ers, and one the hard way . . . by defeating the Tabs 15 to 4. The hapless Tabs saw only Holbert triple. For the winners it was Roe and Stewart (2) with homers; Rutherford with a triple; and Pearson, Wright and Collins (2) with doubles.

Line scores	R	H	E
Peons	15	18	1
Tabs	4	12	3

Batteries: Peons: Rutherford and Bailey. Tabs: Ryder and Holbert.

In play last Thursday at Pinewood ORGDP's Kentucky Wonders added two more victories to their already illustrious record by downing Y-12's Blue Demons, 20 to 12; and fellow ORGDPers, the Codgers, 10 to 6. For the Blue Demons it was Thompson with a homer, Porter with a triple and two doubles; and Hasley with a double. For the winners it was Eldridge, Woodfin and George.

Golfers Line Up For Final Meets

Golfers are all lined up for the Gatlinburg Tournament this Saturday, August 26, more than 90 strong. The first ten foursomes teeing off will start in electric golf-carts, which went by drawing last week. Other tee-offs were assigned by lottery also.

Meanwhile, more than 50 Y-12 golfers had registered for the All-Carbine Tournament to be staged next month. More were expected to get in under the dead-line.

Linksman playing in the final tournament of the season are again reminded they will be guests at the Gatlinburg Country Club greens, and their usual courtesy will be expected.

Fall Dove Season Opens September 1

The 1961 dove season is scheduled to open at noon, Friday, September 1, according to law enforcement agents of the Tennessee Game and Fish Commission. The split season is announced as September 1 through October 25, and December 18 through January 1, 1962.

The daily bag limit is set at 12, and the possession limit is 24 doves. Shooting hours will be from noon until sunset. Federal regulations relative to baiting firearms and method of hunting have been adopted and will be applicable to hunting or taking doves during the coming season.

Our nation's security depends on YOU.

Ten Teams Set Bush League Alley Action

More Y-12 bowlers got into the picture for the coming season as the Bush League organized for the year. New officers are Tom E. Hudson, president; Leo L. Brown, vice-president; and Jack Cox, secretary. Ten teams are scheduled to begin league play Monday, September 11.

Three rounds will be bowled for 27 weeks, with a hiatus during the Christmas and New Year's holidays. Teams registered, along with their captains, are listed below:

Pin Busters, Roy Worley.
Alley Gators, H. E. Clayton.
Nine Pins, S. F. Ferguson.
Rollmasters, Ronald W. Taylor.
Lucky Five, W. H. Fleischman.
Rollniks, Lou Kovach.
Hi Balls, Jack Cox.
Beavers, Paul Evans.
Dry Hides, Ray Waldrop.
Strikers, L. B. Cabe.

O'Hara Still Top In Tennis League

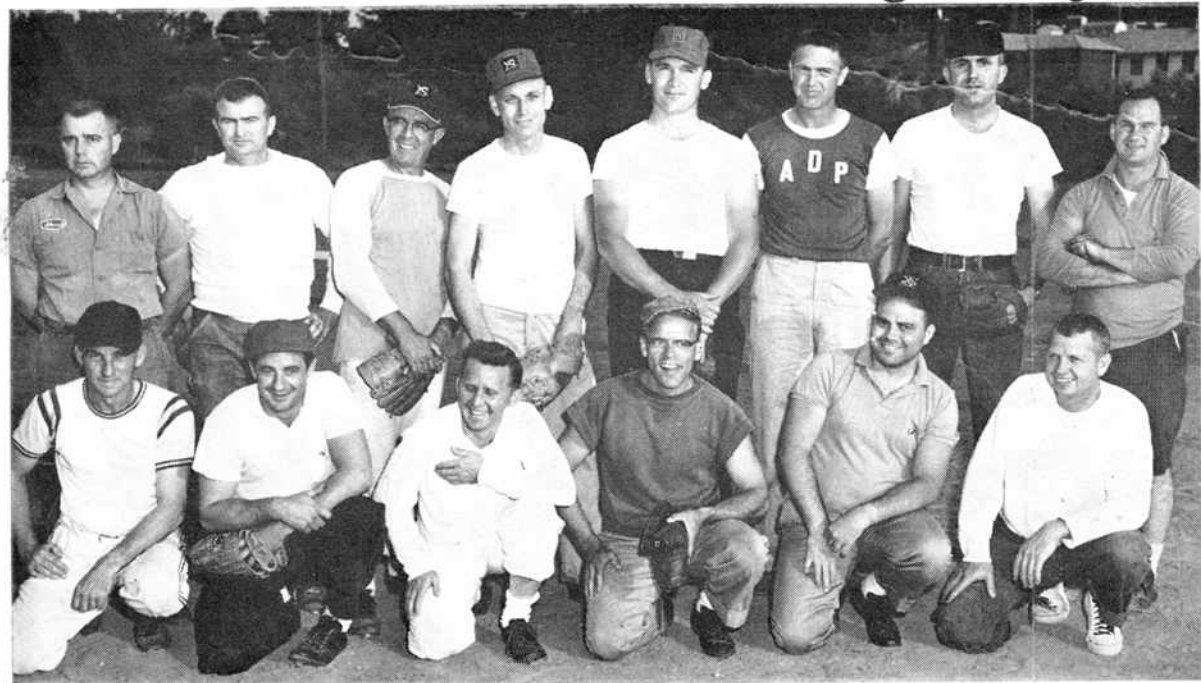

Net play on the Tennis League for Y-12ers last week saw Gene O'Hara over Sam Campbell, 6-4, 6-3; Campbell over Al Fischer, 6-4, 6-1; and Al Christman over Dick Huber, 6-2, 6-3.

Pete Rekemeyer dropped from tennis play, giving forfeits to each opponent in scheduled play.

League standing follows:

	W	L
O'Hara	3	0
Campbell	3	1
Christman	3	1
Huber	2	2
Fischer	1	4
Rekemeyer	0	5

Take a little more time, and get there!

ANOTHER Y-12 CONTRIBUTION to the Slo Pitch Carbine League is the Red Devils, whose potential as yet has not been turned loose in scheduled play. They enjoy a three wins, four losses record. Kneeling in first row, from left, are J. D. Collins, E. T. Johnson, Joe Pryor, Sam West, Frank Jinks and G. E. Valentine. Standing in back row are S. D. Ownby, C. Shotts, Ed Sise, H. Rector, Fred Hardin, Manager L. E. Pate, F. L. Teno and Bill Maddux. The Red Devils sported a 5 to 3 record during the first half of season's play.

INDUSTRIAL RELATIONS

Folks around the Fire and
Guard Departments are congratulating Mr. and Mrs. **Robert L. Fain** for the addition to their family recently. Little Stanley Robert Fain was born at Fort Sanders Presbyterian Hospital,

August 10, weighing in at six pounds, one ounce. He arrived at the reasonable hour of 8:10 a.m., and stretches out here to his full 20-inch length . . . Sympathy is extended to

Safety folks were mighty glad to hear **Darlene Hunnicutt** came through surgery fine, and is home recuperating now.

The Rebel Railroad in the Smokies attracted the **Art Hines** family, last week as Art decided to let Benefit Plans do without him for a few days.

The Cafeteria has **Madeline Tackett** and **Willie Braden** on vacation this week, but didn't know where.

Thoughts running through a bride's head as she walks down the aisle: "Aisle—Alter, Hymn!"

TECHNICAL

Mechanical Inspection's **B. B. Stanton** is entertaining guests this week from Maryland. He plans to show them the sights around the Atomic City and then take them camping on Watt's Bar Lake a few days . . . **W. M. James** reports that he actually did see a missile launching while vacationing near Cape Canaveral recently.

Statistical Services says **Elizabeth Johnson** came through surgery last week like a trooper and is getting along fine, wanting to come home from the hospital already, which is a pretty good indication.

You can't keep trouble from coming. But you sure don't have to give it a chair to sit in.

ENGINEERING

Project Engineering has **Clarice Cagle**, with her husband and girls, hoping to get in some time boating and sunning along with a side trip to Gatlinburg and Smokies while on vacation last week . . . **Walt Gray** became a grandfather the third time around when his daughter gave birth to little Philip Waldron on the third of August. The second time he was a "floor walker" grandpop was six months ago when his son, **Jim Gray**, Electrical Engineering, became a proud father . . . **Gay Smith** spent his vacation in Georgia amid the water moccasins and

chiggers trying to land a few fish . . . The "grapevine" has it that **Earnie Choat** planned to spend last week's vacation over at Myrtle Beach, S. C. We hope he made the scene and had scads of fun . . . **Jack Terrell** was in part of Ohio recently and retraced his steps right back there again for a business trip . . . The department speeds get well wishes to **Bob Fowlers'** wife who was a recent patient in a Nashville hospital . . . **Kenneth Cook** took his brood over to North Carolina for a visit with kith and kin . . . **Bill Jennings** is sorely missed at this "last outpost" since being on loan to another "outfit."

Process Design is welcoming in new-comer **Rob R. Samples** and summer student **Bernard Belew** to the department.

You'uns come.

Get well wishes are sent the following Y-12 employees who were patients last week in the Oak Ridge Hospital:

Samuel Shultz, General Machine Shop; **James P. Dillard**, General Machine Shop; **Paul R. Schultz**, Research Services; **Jack C. Queener**, General Machine Shop; **R. J. Strickland**, Buildings and Grounds; **Gordon D. Butters**, General Machine Shop; **G. E. Dabney**, Buildings and Grounds; **Nelson Tibbatts**, Maintenance Planning; **Wilmer A. McNair**, Beta Two; **A. E. Bittner**, Project Engineering.

Mech. Inspection Holds Solway Picnic

Mechanical Inspection held its annual picnic Saturday, July 29, at the Solway Swimming Pool. Threatening clouds were no deterrent to approximately 60 family members and guests. After one brief shower early in the afternoon, old man weather cooperated nicely and the rest of the afternoon and evening were spent in games and swimming. The lusty appetites that brought a universal comment of "to heck with the diet" were amply satiated.

The lull prior to swimming after dinner was well taken in with games and door prizes. Cash awards went to Mrs. Everette Rogers on the first drawing, and to Marian Kay Morris, daughter of Mr. and Mrs. Lonnie Morris.

Jim Thompson's hi-fi set provided the music for dancing later to round off the fine day's activities. The entire group wished to thank the committee who made the plans, whose careful attention made the picnic such a big success.

Winter Hazards Theme Of Poster Contest

Bedsread, Coffee Kit Offered As Prizes

The cool nights and chilly mornings should help Y-12ers come up with winning entries for the current poster contest, sponsored by the Safety Department. The theme has been announced as "Winter Hazards and Holiday Safety." The November campaign features a beautiful antique bedspread as first prize, and a portable coffee kit as second prize.

The popular poster contests have provided the Safety Department with countless ideas, new and with different angles on how to approach the topic of safer working conditions.

Only one more contest is scheduled in the current series.

The first-place entry is used in posters throughout the plant during the designated month.

All employees in the Y-12 area are eligible to enter the competition, as well as members of their families. A simple sketch is all that is required to depict the poster idea. Artistic talent has not been a qualification in judging the ideas. Wording on the posters should be under ten words, and should tie in with the current theme.

LOOKING OVER SPECIFICATIONS for the new Credit Union building, now under construction, are Lorena Causey, Treasurer Manager, and Fred Wilkinson, also from the Credit Union staff. The handsome, light-brick structure takes shape in the background. The circular "silo" at the left will be a curved stair-well leading from the basement offices to the first floor.

THE Y-12 CREDIT UNION BUILDING, with its "floating" first floor effect, progresses along. Officials and construction workers are predicting a mid-October occupancy of the modern, well-lined structure. The building is conveniently located for Y-12ers, at Lafayette and Illinois, about one mile from East Portal. Straight on the Y, commuters from Clinton as well as Oak Ridge will enjoy the central location.
